Objective

Highly motivated and results-driven professional seeking a challenging position at OmniSync where I can utilize my skills in project management, team leadership, and software development to contribute to the company's success.

Professional Experience

Senior Project Manager, PulsePlus Corporation, Peaceful Place, OH

January 2058 – Present

- Led cross-functional teams in the successful delivery of multiple high-impact projects, achieving on-time and within-budget delivery.
- Developed and implemented project plans, schedules, and budgets, ensuring alignment with business objectives and stakeholder expectations.

- Collaborated with clients to define project scope, objectives, and deliverables, ensuring clear communication and mutual understanding throughout the project lifecycle.
- Mentored and coached junior team members, fostering professional growth and development.

Software Engineer, TranquilNet Technologies, Peaceful Place, OH

June 2054 – December 2057

- Designed, developed, and tested software applications, delivering high-quality solutions that met client requirements and industry standards.
- Collaborated with cross-functional teams to analyze user needs and define software specifications.
- Participated in code reviews and provided feedback to ensure best practices and coding standards were maintained.
- Maintained and updated existing software applications, ensuring optimal performance and functionality.
